To Alex Galbraith

Trallwm AFC are urgently in need of a person to replace the leaving & damaged one that we currently use.

Grham Williams has identified a suitable replacement that is sited on the premises to which I am referring.

It would be fantastic for the club if you could gift this to us.

Thanks in advance

ITEM No. 4 -

12th April 2017

Dear Sir / Madam

I write on behalf of the South Wales Junior Cricket League in seeking financial support towards the cost of the League's activities. After 44 years as treasurer of the league Brinley John decided to stand down at the Annual General meeting in November. He was one of the people behind the setting up of the league back in 1973 and for that we will be eternally grateful.

The South Wales Junior Cricket League, which was founded in 1973, is one of the largest of its kind in Britain. We have expanded our membership over the last 3 years with the Baglan, Landore and Dyffryn Cricket Clubs re-joining the league.

Over the years five players who began their careers in our league have gone on to represent England in Test and One-Day cricket, with many more going on to represent Glamorgan County Cricket Club and Wales Minor Counties. Some have also made the grade with other county cricket clubs.

In the match against Northamptonshire in St. Helens, Swansea last August Aneurin Donald of Gorseinon, Owen Morgan of Llangeneddch & Lukas Carey of Pontarddulais featured in the Glamorgan team. Aneurin had a great season, breaking many records along the way including becoming the youngest player to score a double hundred and the youngest player to score 1,000 runs in a season. Owen also became the first night watchman to score a century for the county.

The league provides an extensive programme for young cricketers between the ages of ten and sixteen, with inter-club league and cup competitions, representative fixtures and coaching for young children of all abilities. Membership of the league now covers from Llandysul in Ceredigion to Bridgend and Tondy in Mid Glamorgan, with forty clubs affiliated. It is estimated that around 2,000 boys and girls are actively involved playing the game of cricket each week.

The activities of the League costs a considerable amount of money and it would have been difficult to have continued at the current level without the generous support of locals councils in the past. It is hoped that you your Council will feel able to support the work of the League for the coming season, for which a great number of young cricketers will be extremely grateful.

Yours faithfully

John Davies
