# Pwll Community Centre update.

Following further discussions with Darren Rees, Community Development Officer for Llanelli Rural Council he has confirmed Structural, Electrical, Heating and Water surveys will be needed and assessed prior to any interest being lodged in the building by Llanelli Rural Council. It is likely that the results of these surveys will not be ready until late October / early November, therefore the date for the Public Meeting to discuss the future of the Centre will not be until early December. This date will be confirmed in the December issue of the Bônau Cabbage Patch and updates are available at http://www.llanelli-rural.gov.uk/wellbeing/caring-people-places/pwll-education-centre-community-action-group/ or by visiting the Pwll Community Centre Facebook page.

What follows is a Questionnaire which is designed to provide Carmarthenshire County Council with information of suggested ideas / uses for the Centre should we be successful in regaining it for the residents of Pwll and the surrounding area. **Please could you return it to any of the Drop Off points listed below by 1st December.**
