Carmarthenshire Speed Management Strategy [Draft]

1.0 Executive Summary

- 1.1 The purpose of the speed management strategy is to set out the approach to the management of speeds on Carmarthenshire's county road network in order to:-
 - 1.1.1 Set appropriate speed limits and manage speeds in order to address the risk of road injury accidents.
 - 1.1.2 Ensure the County Council operates within the statutory powers of Highway Authority for the Carmarthenshire non-trunk road network.
 - 1.1.3 Advise communities and elected representatives on how complaints and concerns about speeding traffic will be investigated and dealt with.
 - 1.1.4 Adopt national guidance on criteria used to assess speed limits and work in partnership with the Roads Policing force to agree revised limits, refer to section 4.0 below.
 - 1.1.5 Make appropriate use of road safety engineering resources using intelligence based data to deliver measures that are proportionate to the problem and level of risk posed from speeding traffic.
 - 1.1.6 Assist the Roads Policing Unit and Neighbourhood Policing Teams with their Protective Service function in taking appropriate enforcement action in respect of public complaints or concerns of speeding.
 - 1.1.7 Increase awareness of speeding and speed related issues through Education, Training and Publicity resources.
 - 1.1.8 Assist communities with perceived and actual speeding problems and to take ownership of local issues.

5.0 Speed Management Strategy – Priorities for Action

5.1. Road Safety Education

- 5.1.1. Implement a Young Drivers Programme to enhance the understanding of young people regarding vehicle speed and to create widespread awareness of speed choices and issues among existing drivers.
- 5.1.2. In Secondary Schools include learning modules on 'highways engineering / traffic calming' for Year 8 students.
- 5.1.3. Provide road safety modules in Primary Schools.

5.2. Objectives – Road Safety Communication / Marketing

- 5.3.8. Requests for 20 mph zones will only be considered for locations that have a main attractor of vulnerable road users. To date 20 mph zones have only been implemented in areas that surround primary schools and along roads that serve local communities and are situated away from the classified road network.
- 5.3.9. Develop priority mechanism for the introduction of new speed limits.
- 5.3.10. Aim to ensure that all villages in the County have a 30mph speed limit.
- 5.3.11. Continue with implementation of programme of 20mph speed limit / zone schemes at schools.
- 5.3.12. Establish a monitoring system to review and measure performance of the Speed Management Strategy.

SENIOR CITIZENS' DAY CENTRE JOINT MANAGEMENT COMMITTEE

11th November 2009

PRESENT: Councillors G.H. Wooldridge (Chairman), , Ms. J.C. Isaac, Ms. Ff.S. Larsen, J. Roberts (Vice-Chairman) and Mrs. L.J. Stedman.

APOLOGIES: Councillors H.J. Evans and M.L. Evans.

Also in attendance: Mr. Mark Galbraith, Clerk to Llanelli Rural Council.

18. CHAIRMAN'S ANNOUNCEMENT

The Chairman (Councillor G.H. Wooldridge) passed on the apologies of the Secretary, Mr. Lynn Davies, for his absence on sick leave. Members wished Mr. Davies a speedy recovery.

19. MINUTES OF PREVIOUS MEETING

RESOLVED – that the Minutes of the previous meeting held on 9th September 2009 be received, verified and confirmed.

20. FINANCIAL REPORTS

(1) INCOME AND EXPENDITURE

The report disclosed that payments made for the period 10th September – 11th November 2009 in respect of Direct Debits, reimbursements, BACS payments and Voucher Nos. 4187 – 4192 (inclusive) amounted to £5,798.41.

RESOLVED – that the payment of the aforementioned accounts be approved.

21. FUTURE OF LLANELLI Y.M.C.A.

Further to Minute No. 16 of the Committee meeting held on 9th September 2009, members were given a comprehensive report on the current situation by both the Finance Officer and Mr. Mark Galbraith. Details were given of the various matters that had been or were currently being attended to since the last meeting of the Committee, with specific reference to the findings contained within the Mechanical and Electrical Report commissioned by the Trustees' Management Committee. The report highlighted the considerable failings of the building's services and the cost of bringing them to a proper standard of repair. Members were concerned that this cost implication, coupled with the absence of any planned future use for the building as a whole, raised a great deal of uncertainty over the future of the Day Centre.

In view of this uncertainty, members further considered the current financial position of the Day Centre in light of the Finance Officer's financial forecast previously discussed, which contained a budget for redundancy payments. The Finance Officer outlined the statutory provision for making staff redundant and the cost involved.

Following a detailed discussion, it was

RESOLVED as follows –

- (1) That the four members of staff currently employed by the Day Centre be made redundant as at 2.30 p.m. on Saturday 14th November 2009 and that they be paid the statutory amounts as contained within the Finance Officer's report.
- (2) That meetings of the committee continue to be held to seek to secure a future for the Day Centre.

22. CHRISTMAS LUNCH FOR DAY CENTRE PATRONS

RESOLVED – that, in the circumstances, no arrangements be made for a Christmas lunch this year.

23. CHRISTMAS CLOSURE ARRANGEMENTS

69. DRAINAGE INFRASTRUCTURE PROBLEMS

The Cemetery Manager outlined areas within the cemetery which were prone to excess flooding namely Section 7, Section 5F and Gardens of Remembrance 3 and 4. Members were informed why the flooding was so severe in these areas and then considered proposals for improving conditions together with the associated costs, which amounted to £1750.
