Subject: FW: Rod Bowen Dolen Teifi Community transport

Good Morning Mark, sorry for the delay in getting this email to you. Firstly, thanks for taking the time to talk to me last week.

Just a quick recap on our organisation, the work we do and hope to carry out in the future.

I work for one of the old menter groups Llandysul a Phont Tyweli Ymlaen (LPY) we are based in Llandysul, Ceredigion. In 2006 after public consultation it was decided to set up a community transport provision for the area of Llandysul, this project was called Dolen Teifi. From 2006 to 2013 we enjoyed steady growth with most of the provision for the community of Llandysul and its hinterlands. In 2013 we were approached by West Wales Action for Mental Health who wanted us to expand our services into Carmarthenshire to provide transport for the mental health sectors that they supported. It was decided that to achieve most coverage we would purchase two additional fully accessible minibuses, place one in Llanelli and the other in Carmarthen. To make best use of the vehicles we would make them available to a wide range of community groups.

This approach was successful and since then we have gradually increased the provision of vehicles to cover a wide area of Carmarthenshire and Ceredigion. All our services are developed from the ground up and when possible in partnership. All the vehicles are kept close to the communities that use them.

These are the locations that we have vehicles and operate services at:-

- Aberystwyth 4 fully accessible minibuses
- Aberaeron 1 fully accessible minibus
- Llanybyther 1 fully accessible minibus
- Carmarthen 2 fully accessible minibuses (Partnership with WAST)
- Kidwelly 1 fully accessible minibus and a fully accessible seven seat electric vehicle. In partnership with the John Burns foundation)
- Pencader 1 fully accessible seven seat electric vehicle
- Brechfa 1 fully accessible seven seat electric vehicle
- Tegryn 1 fully accessible seven seat electric vehicle
- Llanelli 3 fully accessible minibuses and 1 electric vehicle (one vehicle allocated to the LHB Vaccs centre at Dafen)
- Llandysul 4 fully accessible minibuses 2 fully accessible diesel MPV's and 2 fully accessible electric vehicles.

Over the last 5 years we have trained upwards of around 932 volunteer drivers for a wide range of organisations around the locations mentioned above.

The Llanelli EV has caused me a problem. We have an agreement with Carmarthenshire CC to place the vehicle at one of their care homes. However the Council have been slow to identify an appropriate site, this is mainly due to being able to find a suitable location for a charge point. To accommodate an EV we need to install an EV charge point. This is paid for by us and we reimburse any costs for any electricity used. It's essential that the EV and the charge point are in the same location as it makes it easier to keep the vehicles batteries topped up. The charge point can be configured and used in the way a partner wants. I.E the charge point is normally a twin head app or card

cloud based system that monitors usage, allows allocation of charge costs etc. The charge point can be advertised as a public

The EV vehicle can be used by any group or organisations that meet the section 19 permit that is used to operate the vehicle.

I mentioned another project that we have submitted to WG. We have been told informally that this is going to be funded but are still waiting for formal notification. This project will if funded allow us to purchase two or three fully accessible minibuses, an additional two MPV's a couple of EV Cargo Bikes and some EV bikes. The project comes from discussion we have had pre COVID with four primary Schools in the Bryn area. These vehicles and the infrastructure required to service them will be placed in partnership with the Schools and communities that they will serve. Cllr Sharen Davies and Jason Heart have been involved during the consultations with the Schools.

Hope the above helps a little bit.

Apologies ,I also have a terrible memory! What date did you say that the Council will be meeting on in January?

I am available via email or phone 7 days a week. Please feel free to give me a call anytime.

Thanks
Rod

Dafen Forum Christmas Fete

To Whom it May Concern,

Dafen Forum would like to thank the Llanelli Rural Council for their financial support via the Community Grant which went towards the purchasing of a Christmas Tree for this year's Fete.

We would also like to thank Cllr Tegwen Devichand Chair of the Llanelli Rural Council and Consort Cllr Steve Donoghue for attending and supporting the event.

Kind regards,

22 December 2021

Dear Mrs Lloyd,

Thank you so much for responding to our Christmas Appeal of Hope, where you heard from George, Rona, Joann and Ann about the support they received from SSAFA in their times of need. As we approach the end of 2021, we cannot thank you enough for showing your support to our veterans, serving personnel and their families across the UK and overseas.

It is down to your generosity that our numerous services are on hand to support the Armed Forces community that deal with a range of issues, including financial support, sheltered housing, food poverty and adoption. You are funding life-changing help for over 79,000 people every year and thanks to your gift you are giving more members of the Armed Forces community hope.

Your donation of £100, ensures that more members of the Armed Forces community will be given hope, enabling them to gain the support and guidance they desperately require. No matter the challenge SSAFA is always there to help motivate, guide and empower wounded, injured or sick service leavers to have successful and independent lives outside the military.

Please accept our heartfelt thanks for your ongoing support to the Armed Forces community this Christmas.

From all of us at SSAFA we wish you a Merry Christmas and a Happy New Year.

Yours sincerely,

James Grant
