

**Cyngor Gwledig
LLANELLI
Rural Council**

**Llanelli Rural Council
LRC TRAINING (in South Wales)**

Applications are invited for the following post within the dynamic world of Work Based Learning.

The post is concerned with the delivery of the Job's Growth Wales + programme, which is Welsh Government's flagship programme for 16-18 year olds who wish to progress to paid employment, an apprenticeship or another form of further learning. Learners are guided through their programme by a dedicated team of officers who provide support and training in order for the young person to succeed.

JOBS GROWTH WALES + (JGW+) LEAD WORKER.

Grade 4 (scp7 - 11) £20,444 – £22,129 (pay award pending)

This opportunity will suit an individual who will enjoy working with young people and helping them to progress from the JGW+ programme. The role will involve recruiting learners, working with referral agencies and supporting young persons in accordance with the programme specification.

- You will be involved in delivering a successful and supportive training programme tailored to the needs of our young learners.
- You will need good literacy and numeracy skills and competent digital literacy skills. The use of an e-portfolio and digital training records are central to the role. Training will be provided in these areas.
- The role will be based in Llanelli but you will sometimes be required to work in other centres and at external venues.
- You will need a clean driver's licence and access to your own vehicle.
- A full DBS check is required for this post and you will register with the Education Workforce Council.

The post offers the following benefits:

An innovative, friendly and dynamic workforce.

Excellent learning and development opportunities.

Local Authority Pension Scheme.

Generous leave entitlement.

Laptop and phone provided.

Vehicle use allowance (as per NJC Casual user allowance scales)
