Dear Sir/Madam,

Re: Code of Conduct Training for Town and Community Councils

This authority's Standards Committee has taken account of the training sessions held in 2023 and again resolved to hold another training session in 2024.

Given the extremely low level of in-person attendance at the 2023 sessions a decision has been made to hold only one session which will take place remotely via Zoom. There will be no option to attend the session in person in County Hall.

To overcome the difficulties that some experienced in accessing the recordings of last year's sessions, this time the session will be webcast live and a recording of the webcast made available via the council's website for 6 months.

Training will be provided in a mixture of the English and Welsh languages and translation facilities provided.

The session will take place on 28/06/2024 at 2pm.

If any representative of your Council would like to attend this training session, please complete and return the attached attendance form by 01/06/2024

The form will need to confirm the name of each attendee and the email address to which the meeting link should be sent.

By attending the session attendees will be taken to consent to the webcast and recording the session and the sharing of that recording.

Please note that places will be allocated on a first come, first served basis.

Yours Faithfully

Robert Edgecombe
