**Llanelli Rural Council**  
**Annual Governance Statement**  
**31 March 2020**

**Scope of Responsibility**

Llanelli Rural Council is responsible for ensuring that its business is conducted in accordance with the law and proper standards, that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively.

In discharging this overall responsibility, the Council is responsible for putting in place proper arrangements for the governance of its affairs, facilitating the effective exercise of its functions, and which includes arrangements for the management of risk.

The Council has approved and adopted a code of corporate governance which is consistent with the principles of the CIPFA/SOLACE Framework Delivering Good Governance in Local Government. This statement explains how the Council has complied with the code and also meets the requirements of regulation 5(4) of the Accounts and Audit (Wales) Regulations 2014 in relation to the publication of a statement on internal control.

**The purpose of the governance framework**

The governance framework comprises the systems and processes, and culture and values, by which the Council is directed and controlled and its activities through which it accounts to, engages with and leads the community. It enables the Council to monitor the achievement of its strategic objectives and to consider whether those objectives have led to the delivery of appropriate, cost effective services.

The system of internal control is a significant part of that framework and is designed to manage risk to a reasonable level. It cannot eliminate all risk of failure to achieve policies, aims and objectives and can therefore only provide reasonable and not absolute assurance of effectiveness.

The system of internal control is based on an ongoing process designed to identify and prioritise the risks to achievement of the Council's policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically.

The governance framework has been in place at Llanelli Rural Council for the year ended 31 March 2020 and up to the date of approval of the annual report and accounts.

**The governance framework**

The key elements of Llanelli Rural Council's systems and processes that comprise the governance arrangements are:-

- The Council identifies its visions as part of its programme setting process and communicates its intentions and intended outcomes to its citizens and service users via its web site, local news leaflet and press releases.
- The definition and documenting of the roles within the authority are as contained within the Council's constitution document. The Council's disciplinary and grievance procedures cover the staff element and the Council Members are covered by the national code of conduct adopted by the Council.
- The Council procedures are updated when required to take account of changes in legislation and the changing needs of the authority. The Finance & General Purposes Committee acts as the Committee for assuring adherence with financial matters and is the Committee responsible also in regard to matters of complying with all laws and regulations.
- The Council has a complaints procedure for the public and whilst no formally whistle blowing procedure is in place the Council's grievance procedure would permit such matters to be dealt with properly.
- The Council has clear channels of communication with all sectors and welcomes the public to attend its meetings.
- The Council has agreed as a fundamental policy partnership working with other local authorities and organisations where benefit can be shown by such partnership working.

**Llanelli Rural Council**  
**Annual Governance Statement**  
**31 March 2020**

**Review of effectiveness**

Llanelli Rural Council has responsibility for conducting, at least annually, a review of the effectiveness of its governance framework including the system of internal control. The review of effectiveness is informed by the control exercised by members and the work of the internal auditor and the executive managers within the Council, who have responsibility for the development and maintenance of the governance framework. It is further enhanced by reports and comments made by the external auditors and other review agencies and inspectors.

We continue to be advised on the implications of the result of the review of the governance framework by the Council, relevant committees, officers and the internal auditor, and plan to address weaknesses as they arise and thus ensure continuous improvement of the system is in place.

**Significant governance issues**

To date no significant governance issues have been identified. As such issues arise, effective steps will be taken to ensure that matters are addressed, weaknesses eradicated and revised arrangements implemented at the earliest possible opportunity.

**Approval of Statement**

This statement was approved at a meeting of the council held on 24th June 2020 when authority was given for the Chairman and the Clerk to the Council to sign.

Signed: .....  
Cllr S. L. Davies  
Chairman

.....

Clerk to the Council

**Llanelli Rural Council**  
**Statement of Responsibilities**  
**31 March 2020**

**The Council's Responsibilities**

The council is required:

- to make arrangements for the proper administration of its financial affairs,
- to secure that one of its officers (R.F.O.) has the responsibility for the administration of those affairs. At this council that officer is the Deputy Clerk, and
- to manage its affairs to secure economic, efficient and effective use of resources and safeguard its assets.

**The Responsible Financial Officer's Responsibilities**

The R.F.O. is responsible for the preparation of the council's Statements of Accounts in accordance with Part 4 of the Governance and Accountability for Local Councils – A Practitioners Guide (Wales) (the guide), so far as is applicable to this council, to present a true and fair view of the financial position of the council at 31 March 2020 and its income and expenditure for the year then ended.

In preparing the Statements of Accounts, the R.F.O. has:

- selected suitable accounting policies and then applied them consistently,
- made judgements and estimates that were reasonable and prudent, and
- complied with the guide.

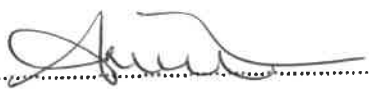

The R.F.O. has also:

- kept proper accounting records, which were up to date, and
- taken reasonable steps for the prevention and detection of fraud and other irregularities.

**Responsible Financial Officer's Certificate**

I hereby certify that the Statements of Accounts for the year ended 31 March 2020 required by the Accounts and Audit Regulations 2014 (as amended) are set out in the following pages.

I further certify that the Statements of Accounts present a true and fair view of the financial position of Llanelli Rural Council at 31 March 2020, and its income and expenditure for the year ended 31 March 2020.

Signed:  .....  
Mrs Wendy Evans- Deputy Clerk

Date: 13/2/24 .....

**Llanelli Rural Council**  
**Statement of Accounting Policies**  
**31 March 2020**

**Accounting Convention**

The accounts have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008) (FRS102) issued by the Accounting Standards Board, as applied to Local Councils by part 4 of Governance and Accountability for Local Councils – A Practitioners Guide (Wales) (the guide). Comparative figures have been restated to conform to the revised formats where appropriate.

These accounts have been prepared having regard to the fundamental accounting concepts of: Going Concern, Prudence, Accruals, Relevance, Consistency, Reliability, Comparability, Understandability and Materiality.

The accounts have been prepared under the historical cost convention.

**Fixed Assets**

All expenditure on the acquisition, creation or enhancement of fixed assets above the council de-minimis (currently £1000) is capitalised on an accruals basis in the accounts. Expenditure on fixed assets is capitalised, provided that the fixed asset yields benefits to the authority, and the services it provides, for a period of more than one year.

In accordance with FRS102 depreciation is provided on all operational buildings (but not land), as well as other assets.

Following the adoption of the FRS102, as interpreted by the guide, the council has elected to retain the book value of fixed assets at the balance sheet valuations current on 31<sup>st</sup> March 2009 together with subsequent acquisitions and enhancements at cost, in accordance with the transitional provisions of paragraph 4.40 of the guide.

Disposals of fixed assets are reported in the Income and Expenditure Account and, in accordance with the guide, the net book value of asset disposals is reversed out to the Capital Financing Account in order not to constitute a charge to the council's revenue reserves.

**Depreciation Policy**

Buildings and leasehold land are depreciated over the shorter of 50 years or the anticipated remaining useful lives on a straight line basis.

Llanelli Cemetery Land and Buildings are not depreciated.

Freehold land is not depreciated.

Non Operational Assets (including Investment Properties) are not depreciated.

Vehicle, plant, equipment and furniture are depreciated over 4 to 10 years on a straight line basis.

Play equipment is depreciated over 10 years at 10% per annum straight line.

Infrastructure assets are depreciated over 10 to 25 years at 4% to 10% per annum straight line.

Community assets are not depreciated, because they are either intrinsic or purely nominal value.

Other Llanelli Cemetery assets are depreciated by 100% in the year of purchase.

**Grants or Contributions from Government or Related Bodies**

**Capital Grants**

The council has elected, as permitted under the guide, to continue with the previous policy with regard to capital grants. Where a fixed asset has been acquired or improved with the financing either wholly or in part by a grant or contribution from government or a related body, e.g. Sports Council, the amount of the grant has been credited to Deferred Grants Account and carried forward. Grants so credited are released back to revenue over the life of the asset to match, and thereby offset wholly or in part, depreciation charged.

**Revenue Grants**

Revenue grants are credited to income when conditions attached thereto have been fulfilled and/or equivalent expenditure has been incurred. Grants received in respect of which the conditions have not been fulfilled, or expenditure incurred, are carried forward as deferred revenue grants.

**Llanelli Rural Council**  
**Statement of Accounting Policies**

**31 March 2020**

**Debtors and Creditors**

The revenue accounts of the council are maintained on an accruals basis in accordance with the regulations. That is sums due to or from the council during the year are included whether or not the cash has actually been received or paid in the year. This policy is applied consistently each year. Therefore, it will not have a material effect on the year's accounts or on the council's annual budget.

The council reviews the level of its commercial debtors on a regular basis and provisions are made, as required, where the likelihood of amounts proving ultimately collectable is in doubt.

**Value Added Tax**

Income and Expenditure excludes any amounts related to VAT, as all VAT suffered/collected is recoverable from or payable to HM Revenue and Customs. Any amounts not so recoverable are treated as a separate expense.

**External Loan Repayments**

The council accounts for loans on an accruals basis. Details of the council's external borrowings are shown at note 15.

**Leases**

Rentals payable under operating leases are charged to revenue on an accruals basis. Details of the council's obligations under operating leases are shown at note 17.

**Reserves**

The council maintains certain reserves to meet general and specific future expenditure. The purpose of the council's reserves is explained in notes 18 to 20.

Certain reserves are maintained to manage the accounting processes for tangible fixed assets, available for sale investments and retirement benefits. They do not represent usable resources for the council:

Capital Financing Account – represent the council's investment of resources in such assets already made.

Pension Fund Reserve – represents the council's interest in the net assets/liabilities in the fund in which it participates.

**Interest Income**

All interest receipts are credited initially to general funds.

Interest is reallocated to certain reserves based on the level of their fund balance.

**Cost of Support Services**

The costs of management and administration have been apportioned to services on an appropriate and consistent basis.

This apportionment is not reflected in the Income and Expenditure account, but is used for Management Accounting and Annual Report purposes only.

**Post Balance Sheet Events**

Events after the Balance Sheet date are those events, both favourable and unfavourable, that occur between the end of the reporting period and the date when the Statement of Accounts is authorised for issue. Such events are included in these accounts only to the extent that their omission would have a material affect on and understanding of these accounts.

**Llanelli Rural Council**  
**Statement of Accounting Policies**  
**31 March 2020**

**Pensions**

The pension costs that are charged against precept in the council's accounts, in respect of its employees, are equal to the contributions paid to the funded pension scheme for those employees.

These contributions are determined by the fund's actuary on a triennial basis and are set to meet 100% of the liabilities of the pension fund, in accordance with relevant government regulations.

The next actuarial valuation is due at 31st March 2022 and any change in contribution rates as a result of that valuation will take effect from 1st April 2023.

The Local Government scheme is accounted for as a defined benefit scheme.

The liabilities of the Dyfed Pension Fund attributable to the council are included in the balance sheet on an actuarial basis using the Projected Unit Method.

Liabilities are discounted to their value at current prices, using a discount rate (based on the indicative rate of return on a high quality corporate bond).

The assets of the pension fund attributable to the council are included in the balance sheet at their fair value.

In relation to retirement benefits, for purposes of calculating the precept the Income and Expenditure is required to be charged with the actual amount payable by the council to the pension fund for the year, not the amount calculated according to the relevant accounting standard. This means there are entries to remove these notional transactions from the Income and Expenditure Account and transfer them to the Pension Reserve.

### **Notes to the Accounts**

**31 March 2020**

#### **9 Pension Benefits**

The council participates in the Dyfed Pension Fund. The Dyfed Pension Fund is a defined benefit scheme based on pensionable pay. In accordance with FRS102, the council accounts for its pension liabilities on an accruals basis. Changes in the pension liability are accounted for through the Income and Expenditure statement and Statement of Total Recognised Gains and Losses.

Regulation 24 Retirement Benefits of the Local Authorities (Capital Finance and Accounting) (Wales) Regulations 2003 requires that the council only charge to a revenue account, an amount equal to the retirement benefits contributions and payments which it makes for that financial year. The council has established a Pension Reserve to account for the differences between the pension liability accounted for on an accruals basis and the contribution made in the year.

The contribution rate is determined by actuarial valuation of liabilities. The most recent actuarial valuation relevant to the financial year was carried out at 31st March 2019 by Mercer Ltd, independent actuaries to the Dyfed Pension Fund. Liabilities are valued on an actuarial basis using the projected unit method, which assesses the future liabilities discounted to their present value. The council's contribution rate is 15.90% of employees' pensionable pay (year ended 31 March 2019 – 15.90%). For the year ended 31 March 2020 the council paid £156,604 in contributions (year ended 31 March 2019 – £142,368).

The main assumptions used for the purposes of valuing net pension liabilities are:

Although classified as capital expenditure, certain minor equipment purchases are not included in the above as they are not material in overall value.

**Fixed Asset Valuation**

The freehold and leasehold properties that comprise the council's properties have been valued as at 31st March 2006 by external independent valuers, Messrs Lambert Smith Hampton, Chartered Surveyors. Valuations have been made on the basis set out in the Statement of Accounting Policies, except that not all properties were inspected. This was neither practical nor considered by the valuer to be necessary for the purpose of valuation. Plant and machinery that form fixtures to the building are included in the valuation of the building.

**Assets Held under Finance Agreements**

The council holds no such assets

Balance at 31 March	<u>2,273,651</u>	<u>2,378,265</u>

The Capital Financing Account represents revenue and capital resources applied to finance capital expenditure or for the repayment of external loans. It also includes the reversal of depreciation to ensure it does not impact upon the amount to be met from precept. It does not represent a reserve that the council can use to support future expenditure.

#### **19 Usable Capital Receipts Reserve**

## Auditor General's report and audit opinion

I certify that I have completed the audit of the Annual Return for the year ended 31 March 2020 of **Llanelli Rural Community Council**. My audit has been conducted on behalf of the Auditor General for Wales and in accordance with the requirements of the Public Audit (Wales) Act 2004 (the 2004 Act) and guidance issued by the Auditor General for Wales.

### **Audit opinion: Unqualified**

On the basis of my audit, in my opinion no matters have come to my attention to give cause for concern that, in any material respect, the information reported in pages 7 to 23 of the Statements of Accounts:

- has not been prepared in accordance with proper practices;
- that relevant legislative and regulatory requirements have not been met;
- is not consistent with the Council's governance arrangements; and
- that the Council does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

### **Other matters and recommendations**

There are no further matters I wish to draw to the Council's attention.

 <b>Richard Harries, Director, Audit Wales</b> For and on behalf of the Auditor General for Wales	<b>Date: 15/12/2023</b>
