Background Information on the use of the Public Spaces Protection Orders.

People who fail to clean up after their dogs on publicly accessible land cause nuisance to others. The presence of dog faeces is a potential hazard to all members of the public alike. It causes risks to health, defaces land and has the potential to deface people and their property.

When not properly supervised and kept under control, dogs that are allowed off a lead in public areas can cause road traffic accidents, and can cause nuisance or injury to members of the public and to other animals.

Dogs in children's play areas can become aggressive if startled. They can also defecate in these areas, defacing and causing a health risk to the young children that use them.

In 2016, the Council made the Carmarthenshire County Council (Dog Control) Public Spaces Protection Order 2016, to address the above behaviours. Subject to a number of exemptions and restrictions, the Order required people:

- (a) To clean up after their dogs on all public land in the County;
- (b) To put and keep their dog on a lead of not more than 2 metres in length when directed to do so by an authorised officer of the Council, where such restraint is reasonably necessary to prevent a nuisance, or behaviour by the dog that is likely to cause annoyance or disturbance to any other person, or the worrying or disturbance of any animal.
- (c) Not to take their dog onto, or permits their dog to enter or remain on any enclosed children's play areas in the County.

The order came in to force on the 1st July 2016, and was Initially made for a period of 3 years. In 2019, the duration of the Original Order was extended for a further 3 years with effect from the 1st July 2019. In 2022, the duration of the Original Order was extended for a further 3 years with effect from the 1st July 2022. It is therefore due to expire in 2025. A Public Spaces Protection Order (PSPO) cannot be made for a period of more than 3 years, but it can be extended for further periods of up to 3 years at a time.

Before the a public spaces protection order expires, the local authority that made the order may extend the period for which it has effect if satisfied on reasonable grounds that doing so is necessary to prevent:-

- (a) occurrence or recurrence after that time of the activities identified in the order; or

- (b) an increase in the frequency or seriousness of those activities after that time.

Since the 2016 Order came into force there have been 2468 complaints received in relation to dog fouling; 129 fixed penalty tickets have been issued and 6 prosecutions have been implemented for offenders who failed to pay the fixed penalty notice.

In the last 8 years no directions have been issued requiring individuals to place their dog on a lead of no more than 2m in length. We did not expect these powers to be widely used, as they were intended for use only where it is necessary to place a dog on a lead in order to deal with ongoing acts of nuisance. They also require authorised officers to be “in the right place at the right time” to be able to defuse incidents. We do continue to receive complaints about dog related nuisance on public land and remain of the view that this is useful power which enables officers to deal with any incidents which they may come across.

A small number of complaints have been received about dogs in play areas and enforcement action has been taken against with four people with fixed penalty notices being issued. We believe that the provision excluding dogs from children's play areas and the accompanying signage which we have erected at relevant sites have served as an effective deterrent.

We are satisfied that it is necessary to extend the 2016 Order for a further period of 3 years from the 1st July 2025, in order to prevent the occurrence or recurrence of the dog related nuisance after that date, or to prevent an increase in the frequency or seriousness of such activities after that time.

The purpose of this consultation, is to consider whether or not the Council should extend the duration of the 2016 Order for a further 3 years from the 1st July 2025. If the existing order is not extended, the current controls will no longer apply from that date. Any additional dog controls that people may want, will need to be the subject of a separate consultation.

Anti-social Behaviour, Crime & Policing Act 2014

**Carmarthenshire County Council (Dog Control) Public Spaces
Protection Order 2016**

Carmarthenshire County Council ("the Council") hereby makes the following Public Spaces Protection Order under section 59 of the Anti-social Behaviour, Crime & Policing Act 2014:

This Order may be cited as the 'Carmarthenshire County Council (Dog Control) Public Spaces Protection Order 2016'.

This Order will come into force on 1st July 2016 and will remain in force for a period of three years.

Introduction

- (a) People who fail to clean up after their dogs on publicly accessible land cause nuisance to others. The presence of dog faeces is a potential hazard to all members of the public alike. It causes risks to health, defaces land and has the potential to deface people and their property.
- (b) When not properly supervised and kept under control, dogs that are allowed off a lead in public areas can cause road traffic accidents, and can cause nuisance or injury to members of the public and to other animals.
- (c) Dogs in children's play areas can become aggressive if startled. They can also defecate in these areas, defacing and causing a health risk to the young children that use them.
- (d) The Council is satisfied that the behaviour set out above has had, and is likely to continue to have, a detrimental effect on the quality of life of people within Carmarthenshire.
- (e) This Order seeks to prevent or reduce the detrimental effects referred to above, by imposing reasonable restrictions and requirements on people whilst in charge of dogs on public land. It seeks to facilitate the safe sharing of our public spaces, whilst recognising that people should be able to exercise their dogs off lead in public areas, provided that their dogs are under control and behaving appropriately.

Part 1 - Dog Fouling

1. If a dog defecates at any time on land to which this part of the Order applies, and the person who is in charge of the dog at that time fails to remove the faeces from the land forthwith, that person shall be guilty of an offence unless he can show that:-

- (a) he has a reasonable excuse for failing to do so; or
- (b) the owner, occupier, or other person or authority having control of the land has consented (generally or specifically) to him failing to do so;

2. This part of the Order applies to all public places in the County of Carmarthenshire.

For these purposes, a "public place" means any place to which the public or any section of the public has access, on payment or otherwise, as of right or by virtue of express or implied permission.

3. For the purpose of this part of the Order:

- (a) placing the faeces in a receptacle on the land which is provided for this purpose, or for the disposal of waste, shall be a sufficient removal from the land;

Part 2 - Dogs on Leads by Direction

4. A person in charge of a dog will be guilty of an offence if at any time, on land to which this part of the Order applies, they fail to comply with a direction given to them by an authorised officer of the Council to put and keep the dog on a lead of not more than 2 metres in length for such period and/or in such circumstances as directed by the officer, unless he can show that:-

For these purposes, a "public place" means any place to which the public or any section of the public has access, on payment or otherwise, as of right or by virtue of express or implied permission
