C.F.F.I SIR GÂR CARMARTHENSHIRE YFC

15/01/2026

Dear Council,

On behalf of Carmarthenshire Federation of Young Farmers Clubs, I would like to ask you, as a Council, to consider giving financial assistance towards the running of the Movement at the county level.

The clubs are all over Carmarthenshire and are available and welcome any young person between the ages of 10 and 28 years to attend. All the club leaders are volunteers and give their services free of charge for the benefit not only of the young people but also of their community. At present, Carmarthenshire YFC have around 150 club leaders.

Members are given a whole spectrum of opportunities, including competing, travelling overseas, and attending various events at the Wales and NFYFC levels. Also, they are given the wonderful opportunity of socialising at various events organised by the Movement.

We were also successful in attracting 751 members to join us last year, evidencing how much young people have missed the spirit and buzz that the Organisation brings. We are now looking forward to the coming year, where we will be offering a full year of activities and supporting our members to reach their full potential.

Members of the Movement are given continual opportunities, and we are truly grateful to all Community Councils for your continuous support over many years. This has been essential for the survival of the local clubs as well as the County Federation.

We sincerely hope that you will be able to continue this support so that we can continue to give opportunities for the young people of Carmarthenshire, and especially within your local community. Thank you once again for your valuable support.

Yours faithfully,

Mr Elgan Thomas,
County Chairman.

Subject: Request for £500 Support for CYCA Half Term Holiday Club

Importance: High

Dear Councillor Susan N. Lewis,

I hope you are well.

I am writing on behalf of CYCA, a long-standing charity supporting children, young people, and families across Llanelli. Many of the families who access our wellbeing and support services live within the constituencies of Llanelli Rural Council, and our work continues to play a vital role in strengthening community resilience and improving outcomes for those experiencing hardship.

Please see the link for you to access our recent annual report.

<https://www.youtube.com/watch?v=rJK8h7Huwy8>

As we prepare for the upcoming half-term, we are organising our holiday club, which provides a safe, nurturing environment for children who may otherwise have limited access to food, enrichment, and positive activities during school breaks. These sessions offer stability, connection, and opportunities that help shape children's wellbeing and future prospects.

We are seeking a contribution of £500 from Llanelli Rural Council to help us provide healthy meals and engaging activities for the children attending our holiday club. This support would directly benefit local families and ensure that children living in the Rural Council constituencies are not disadvantaged due to financial pressures at home.

CYCA has robust safeguarding procedures in place, and all staff are trained to the new Safeguarding A, B, and C standards. Our team is experienced, qualified, and committed to delivering safe, high-quality support for every child and young person who attends.

We would be grateful for the opportunity to work in partnership with Llanelli Rural Council to continue this essential provision for our community. Please let me know if you require any further information.

Warm regards,

Five Roads W.I. will be celebrating it's 60th anniversary in 2026 and we have plans to celebrate this special occasion.

We will be arranging a trip for current members in July which we intend will be both educational and with a welsh element. We are requesting funds from the Rural Council to help with the cost of the transport for this event. (£100- £200).

Further events are being planned through the year to include past members and the village.

We would be grateful if you could consider this request.

Dear Mark,

Please support Marie Curie's Great Daffodil Appeal in 2026

Thank you for supporting Marie Curie's Great Daffodil Appeal in 2025. Your generous donation of **£100** made a huge difference to the services we provide locally in Wales, helping us deliver vital care and support to people at the end of life and their families. Marie Curie is committed to ensuring that everyone in Wales has the best possible end of life; our services include specialist care at our Penarth Hospice, and Hospice at Home nursing services in local communities across Wales. Whatever the illness, wherever you are, we'll be there to the end. We also campaign for change at Welsh Government level and share research to improve end-of-life care for all.

Sadly, one in four people still don't receive the care they need at the end of their lives, and we believe that is unacceptable. The things people need aren't too much to ask; high-quality care in the place they choose, relief from symptoms like pain, and clear information from the very start. These simple things help ensure that, even during such a difficult and emotional time, people can feel a sense of control. Our nurses work tirelessly, day and night, in homes across this community, providing hands-on care and emotional support. Alongside this, our Information and Support services in Wales offer bereavement support and practical advice, so no one has to face this alone.

With our Great Daffodil Appeal fast approaching, we are asking local communities for your continued support to fund these vital services. We simply couldn't do this without your support and the support of people in your area. The demand for our services increases each year and for every family we help, there is another that we can't. It is important to make you aware that all of our services are free to those who need them, however, they aren't free to run. Your support is vital, for example:

- **£200 could help provide nine hours of overnight nursing support, bringing comfort to a person in their final days at home.**
- **£52 could help provide two hours of bereavement support by phone or webchat.**
- **£23 could help provide one hour of expert nursing care.**

We hope Llanelli Rural Council might consider making a financial contribution to the Great Daffodil Appeal in 2026. **All money donated supports local Marie Curie services in your area, so you can rest assured that in your community patients and families will directly benefit from your gift.**

If your council operates an application process, I would be very grateful if you could send me the correct application form and any guidance to support our application. I am also happy to share any further information you may need to consider our request, such as Annual Reports

Kind regards,

Request for Financial Assistance

Dear Council Members,

I am writing on behalf of Trostre Football Club to kindly request financial support in meeting the cost of hiring the Bryngwyn School pitch. Our teams include participants from all areas of Llanelli, and the Bryngwyn facility would provide an ideal and accessible location for them.

As we currently have no pitch available for regular practice due to ongoing flooding issues, we have had to use alternative pitches to play our matches and training sessions. This has added both logistical and financial challenges, making access to the Bryngwyn School pitch even more crucial for our club.

We have juniors and youth teams, and we are proud to offer opportunities for people of all ages to take part in sport, develop skills, and enjoy the benefits of teamwork, health, and wellbeing. As a community focused club, we work hard to make football accessible to all, regardless of background or circumstance.

However, the rising costs of pitch hire present a significant financial challenge, and without assistance, it will be increasingly difficult to continue providing these opportunities. We are therefore seeking support from Llanelli Rural Council to help cover the hire fees for Pitch fees, ensuring that our teams can continue to thrive and contribute positively to the community.

Thank you very much for your considering our request.

Kind Regards

Alexandra Einon

Subject: Parc yr Esgob (Bishop's Park), Abergwili

LLANELLI RURAL COMMUNITY COUNCIL

FILE REF.	
PASSED TO	ack / F&GP

Dear Mr Mark Galbraith,

I am writing on behalf of the Tywi Gateway Trust to ask if you would consider supporting our work through a donation from your S137 fund. Our charity, based at Parc yr Esgob (Bishop's Park) in Abergwili, is dedicated to preserving and enhancing this unique historic and natural space for the benefit of the Carmarthen community and beyond.

Founded in 2016, the Trust exists "to conserve, protect, restore, manage and maintain the park for the benefit of the public." Parc yr Esgob, the former grounds of the palace of the Bishops of St Davids, is a registered historic park and garden, central to Carmarthen's heritage and community life.

From 2018 to 2023, we led a successful £2.4 million restoration of the main park and gardens, funded largely by the National Lottery Heritage Fund. This included the creation of a new visitor centre and café, and has helped us grow annual visits to over 50,000.

We are now preparing for the final and most ambitious stage of restoration: the revival of the historic walled garden, including its 19th-century glasshouses, dipping pond, and gardener's bothy. Our vision is to create a vibrant, multi-use community space that increases the park's benefits for a wider, more diverse range of visitors.

Our work is deeply collaborative, and we are proud to partner with organisations such as Coleg Elidyr, NHS Social Prescribers, the Wallich, and local SEN units. These partnerships show first-hand the transformative health, educational, and social benefits of gardening, green space, and volunteering. This work was recently recognised with the prestigious King's Award for Voluntary Service.

Parc yr Esgob is inclusive and fully accessible, making it especially popular with young families and individuals for whom more strenuous outdoor spaces can be a challenge. The park has also been awarded the Green Flag, the international benchmark for publicly accessible parks.

The park is home to nationally significant heritage and biodiversity, from county and national champion trees to habitats that include an oxbow lake, water meadows, woodlands, and formal gardens. We work closely with Carmarthenshire Museum, also based at the site, to offer a rich and meaningful visitor experience that integrates environment, history, and community.

While we have secured significant capital investment, our core work relies heavily on donations and the ongoing support of local stakeholders. As a small, community-led charity, we are constantly striving to maintain and build on the success of this local treasure.

We would be grateful if your council would consider making a donation from their S137 allocation to help us continue delivering this vital work. Your support would directly benefit the health, heritage, and well-being of countless Carmarthenshire residents.

Yours Sincerely

September 2025

Dear Councillors,

On behalf of the Cylch committees (Aman, Blaenau Tywi and Llanelli) and the East Carmarthenshire Regional committee, we are writing to ask kindly whether you might consider making a contribution to support with the costs of the Urdd's Eisteddfodau in your area.

The East Carmarthenshire region is very active. We have over 3,300 members in our area and we would like to see this number increase with the hope of offering exciting opportunities within the arts to each and every member. We provide a variety of activities and trips, all through the medium of Welsh and we encourage our Welsh learners to have a go and try their best. Through doing so they develop their Welsh language skills.

In partnership with the local community and schools, we hold the Cylch (local) Eisteddfodau as well as 5 regional Eisteddfodau. This is in addition to competitions in the fields of cookery, art, literature, composition and creation. The children and young people of our region enjoyed many successes at Eisteddfod Dur a Môr 2025 in Margam Park and we are determined to keep enthusiasm high as we prepare for the Eisteddfod yr Urdd Ynys Môn in 2026.

We are very fortunate to work with local communities and are extremely grateful for the contributions that we already receive. However, the hard costs are rising each year. In order to avoid having to increase the entrance price to our Eisteddfodau, we are approaching you to ask for a grant.

You are welcome to stipulate if you would like to see your contribution being used for a specific event e.g. on a local level (at your Eisteddfod Cylch), Art Design and Technology competitions or at the Regional Eisteddfodau. We will acknowledge donations in the Eisteddfod programmes and an announcement will be made from the stage. We can ensure you that your grant will remain within East Carmarthenshire and the young people of the area will benefit from your contribution.

Therefore, we ask you kindly to consider our request which will enable us to continue to offer the above opportunities through the medium of Welsh to the children and young people of our region. If you would like to support, a cheque should be made payable to :- Urdd Gobaith Cymru, or we can provide you with bank details if you prefer.

Dear Sir/Madam

I write on behalf of the above mentioned chess club that have 4 teams that play in the West Wales Chess League. We were formed in 1973 and we currently have about 25 adult members and 20 junior members whose ages range from 9 to 75.

Over the last few years, we have been consistently one of the most successful clubs in Wales and in 2023 we won the Welsh Club Championship and in 2024 our A team won the West Wales Chess League Division 1 and our C team won the West Wales Chess League Division 2. We also qualified to represent Wales at the European Club Championships in Serbia in October 2024.

In September 2025 supported by a National Lottery Grant, we launched the Carmarthenshire Chess Academy. The aim of the Academy was to support schools, colleges and community groups to host their own chess clubs. Since then, we have been reaching out to these different organisations and we now support chess clubs in 6 local primary schools and 3 local comprehensive schools. Each of these clubs has between 20 and 30 members. We also held the first ever Carmarthenshire Chess Academy festival in October 2025 at the Selwyn Samuel centre and we had over 75 local children attend to play competitive chess for the first time. We plan to hold further Academy events later in 2026.

We have utilized our national lottery grant to purchase additional equipment that we lend to these other clubs. To continue the growth of the Academy we are looking for additional sources of finance. As you will be aware, the costs involved in running clubs are continually increasing and our methods of funding are limited.

I would be grateful if you could consider supporting our club. Any assistance you can provide will be gratefully received. Please send any replies to myself at the above address. I look forward to hearing from you.

Yours faithfully,

Secretary/Treasurer, White Knights Chess Club
