July 2025

Dear Clerk,

I hope this letter finds you and your members well.

I am writing to thank Llanelli Rural Council for their kind donation last year, and to ask if they would once again be able to support us in making a life-changing difference to children and families across Wales living with cerebral palsy.

Cerebral Palsy Cymru is a national centre of excellence and the only charity in Wales that provides specialist therapy and support to babies and children living with cerebral palsy.

Cerebral palsy is the most common physical disability in children worldwide and it is estimated that here in Wales every 5 days a baby will be born who will have the condition. Last year was one of our busiest years on record for our specialist early intervention service 'Better Start, Better Future' with 72 new babies referred to us – babies like Rosie, whose story you can read on the enclosed document.

Overall, last year we provided 1,000 life changing therapy sessions to 300 families across Wales. 'Better Start, Better Future' is the only service of its kind in the UK - maximising the opportunity to establish neurological connections that are only possible up to 2 years post-term age and helping children achieve their full potential. It is funded entirely from the funds we raise from our charity shops, fundraising activities and donations from the public – with no support or contribution from the NHS or Welsh government.

The past year has been one of the most challenging we have faced to date. Like many organisations, we have been greatly impacted by the ongoing cost-of-living crisis, rising operations costs and an increased pressure on our services. At the same time, demand for our specialist service has continued to grow.

We would be so grateful for your continued support in 2025-2026. By providing a donation, you will be helping to ensure that we are able to provide our specialist services to every family across Wales that needs us.

Thank you in advance for your continued support.

Gorffennaf 2025

Annwyl Glerc,

Gobeithio eich bod chi a'ch aelodau'n cadw'n iawn.

Ysgrifennaf i ddiolch Llanelli Rural Council am y rhodd garedig y llynedd, ac i ofyn a fydddech chi unwaith eto'n gallu ein cefnogi i wneud gwahaniaeth sy'n newid bywydau plant a theuluoedd ledled Cymru sy'n byw gyda pharlys yr ymennydd.

Mae Parlys yr Ymennydd Cymru yn ganolfan ragoriaeth genedlaethol a'r unig elusen yng Nghymru sy'n cynnig therapi a chymorth arbenigol i fabanod a phlant sy'n byw gyda pharlys yr ymennydd.

Parlys yr ymennydd yw'r anabledd corfforol mwyaf cyffredin ymhlith plant ledled y byd ac amcangyfrifir bod yna fabi sydd â'r cyflwr hwn yn cael ei eni bob pum diwrnod yng Nghymru. Y llynedd oedd un o'r blynyddoedd prysuraf erioed i'n gwasanaeth ymyrraeth gynnar arbenigol, 'Dechrau Gwell, Dyfodol Gwell'. Cafodd 72 o fabanod newydd eu cyfeirio atom - babanod fel Rosie, y gallwch ddarllen ei stori yn y ddogfen ynghlwm.

At ei gilydd, fe wnaethom gynnig 1,000 o sesiynau therapi sy'n newid bywydau y llynedd i tua 300 o deuluoedd ledled Cymru. 'Dechrau Gwell, Dyfodol Gwell' yw'r unig wasanaeth o'i fath yng Nghymru - gan wneud y mwyaf o'r cyfle i sefydlu cysylltiadau niwrolegol sydd ond yn bosib hyd nes bod y plentyn yn ddwy oed (ôl-dymor) a helpu plant i gyflawni eu llawn botensial. Caiff ei ariannu'n gyfan gwbl gan yr arian a godwn o'n siopau elusen, gweithgareddau codi arian, a rhoddion gan gynghorau cymuned a'r cyhoedd - heb unrhyw gefnogaeth na chyfraniad gan y GIG na Llywodraeth Cymru.

Bu'r flwyddyn ddiwethaf yn un o'r rhai mwyaf heriol i ni hyd yn hyn. Fel llawer o sefydliadau, rydym wedi cael ein heffeithio'n fawr gan yr argyfwng costau byw parhaus, y costau gweithredu cynyddol, a'r pwysau cynyddol ar ein gwasanaethau. Ar yr un pryd, mae'r galw am ein gwasanaeth arbenigol yn dal i dyfu.

Byddem mor ddiolchgar am eich cefnogaeth barhaus yn ystod 2025-2026. Drwy roi rhodd, byddwch yn helpu i sicrhau y gallwn gynnig cefnogaeth sy'n newid bywydau i bob teulu ledled Cymru sydd angen ein cymorth arbenigol.

Diolch ymlaen llaw am eich cefnogaeth barhaus, cefnogaeth.

Rosie's story

Rosie is one of the 72 new babies who were referred to our specialist early intervention service 'Better Start, Better Future' last year. Below, her parents Andy and Claire share her story with us.

Rosie was born prematurely at just 28 weeks and three days, while we were away from home, visiting relatives in Southampton.

Those first few months were a very scary time. After a few days on the neonatal ward in Southampton and delays due to stormy weather, we travelled back to North Wales via helicopter due to Rosie's fragility.

Rosie was then taken ill with meningitis which was treated with an extensive period of antibiotics. Unfortunately, the meningitis resulted in hearing loss and fluid on the brain which required surgery to place a shunt in her brain. But after five months in five different hospitals, we were finally able to bring Rosie home.

We first heard about Cerebral Palsy Cymru through our local physiotherapist, who mentioned that they worked with children at risk of cerebral palsy, even without a formal diagnosis. And after a lot of research, we realised that Rosie was very likely to have cerebral palsy and made a self-referral to their early intervention programme, Better Start, Better Future.

We had an initial online session and then travelled to Cardiff for our first in person therapy session. Even waiting in reception, we could see other families who were in similar situations, and we felt a sort of sense of belonging. We just felt less alone.

The team at Cerebral Palsy Cymru took the time to truly get to know Rosie, not just her medical needs but also her personality, her likes and dislikes. We felt really supported and cared for. Up until then, our experiences had been very clinical, dominated by discussions about medical interventions. But at Cerebral Palsy Cymru, the approach felt more human, more personal.

Having Natasha (Cerebral Palsy Cymru's Family Support Coordinator) join our therapy sessions was also really useful, especially as she is a parent to a child with cerebral palsy, it just made sense.

Better Start, Better Future has given us a much better understanding of cerebral palsy, and how we can best help and support Rosie. Our continued outreach sessions in North Wales, provided by Cerebral Palsy Cymru, have been really useful. Alongside our local weekly physio, these sessions have given us the strength and the energy to keep going and keep doing the exercises. The team are real specialists and have given us structure to work with and guide us.

Without Cerebral Palsy Cymru, there wouldn't be any early intervention at all. There is a lack of support out there for families with cerebral palsy, so we just feel so lucky to have access to a service like this.

There's a lot of uncertainty when you first find out your child has cerebral palsy, especially in the early days when you don't know what's going to happen. It can be a tough thing psychologically for parents, and quite isolating. Getting support from Cerebral Palsy Cymru has helped us have hope and to feel that we're not alone.

'Better Start, Better Future' is currently 100% funded from our fundraising and retail activities. However, this is not sustainable in the face of rising costs and demand for our services. Your donation will help fund this vital service which provides specialist therapy and support to approximately 300 families free of charge every year across Wales.

Together, we can continue to make a positive difference to families like Rosie, Andy and Claire.

Stori Rosie

Mae Rosie yn un o'r 72 o fabanod newydd a gafodd eu hatgyfeirio at ein gwasanaeth ymyrraeth gynnar arbenigol 'Dechrau Gwell, Dyfodol Gwell' y llynedd. Isod, mae ei rhieni Andy a Claire yn rhannu ei stori gyda ni.

Ganwyd Rosie yn gynamserol ar ôl dim ond 28 wythnos a thri diwrnod, tra roedden ni i ffwrdd o adref, yn ymweld â pherthnasau yn Southampton.

Roedd yr ychydig fisoedd cyntaf hynny yn gyfnod brawychus iawn. Ar ôl ychydig ddyddiau ar ward y babanod newydd-anedig yn Southampton ac oedi oherwydd tywydd stormus, fe deithion ni'n ôl i Ogledd Cymru mewn hofrennydd oherwydd breuder Rosie.

Yna, aeth Rosie yn sâl gyda meningitis a gafodd ei drin gan gyfnod hir o wrthfotigau. Yn anffodus, arweiniodd y meningitis at golli clyw a hylif ar yr ymennydd a oedd yn golygu bod angen llawdriniaeth i osod siynt yn ei hymennydd. Ond ar ôl pum mis mewn pum ysbyty gwahanol, roedden ni o'r diwedd yn gallu dod â Rosie adref.

Clywsom am Barlys yr Ymennydd Cymru gyntaf trwy ein ffisiotherapydd lleol, a soniodd eu bod yn gweithio gyda phlant sydd mewn perygl o gael parlys yr ymennydd, hyd yn oed heb ddiagnosis ffurfiol. Ac ar ôl llawer o ymchwil, sylweddol ni ei bod hi'n debygol iawn bod gan Rosie barlys yr ymennydd a gwnaethon ni hunanatygyfeiriad i'w rhaglen ymyrraeth gynnar, Dechrau Gwell, Dyfodol Gwell.

Cawson ni sesiwn ar-lein gychwynnol ac yna teithion ni i Gaerdydd ar gyfer ein sesiwn therapi wyneb yn wyneb gyntaf. Hyd yn oed wrth aros yn y dderbynfa, roeddem yn gallu gweld teuluoedd eraill a oedd mewn sefyllfa oedd tebyg, ac roedden ni'n teimlo rhyw fath o ymdeimlad o berthyn. Roedden ni'n teimlo'n llai unig.

Cymerodd y tîm yn Parlys yr Ymennydd Cymru yr amser i ddod i adnabod Rosie yn iawn, nid yn unig ei hanghenion meddygol ond hefyd ei phersonoliaeth, ei hoff bethau a'i chas bethau. Roedden ni'n teimlo ein bod ni wir yn cael ein cefnogi a'n gofalu amdanom ni. Hyd at hynny, roedd ein profiadau wedi bod yn glinigol iawn, wedi'u dominyddu gan drafodaethau am ymyriadau meddygol. Ond yn Parlys yr Ymennydd Cymru, roedd y dull yn teimlo'n fwy dynol, yn fwy personol.

Roedd cael Natasha (Cyddlynnydd Cymorth i Deuluoedd Parlys yr Ymennydd Cymru) i ymuno â'n sesiynau therapi hefyd yn ddefnyddiol iawn, yn enwedig gan ei bod hi'n rhiant i blentyn â pharlys yr ymennydd, roedd yn gwneud synnwyr.

Mae Dechrau Gwell, Dyfodol Gwell wedi rhoi dealltwriaeth llawer gwell inni o barlys yr ymennydd, a sut y gallwn ni helpu a chefnogi Rosie orau. Mae ein sesiynau allgymorth parhaus yng Ngogledd Cymru, a ddarperir gan Parlys yr Ymennydd Cymru, wedi bod yn ddefnyddiol iawn.

Ochr yn ochr â'n ffisiotherapi wythnosol lleol, mae'r sesiynau hyn wedi rhoi'r nerth a'r egni inni i ddal ati a pharhau i wneud yr ymarferion. Mae'r tîm yn arbenigwyr go iawn ac maen nhw wedi rhoi strwythur inni weithio gyda nhw a'n harwain. Heb Parlys yr Ymennydd Cymru, ni fyddai unrhyw ymyrraeth gynnar wedi digwydd o gwbl. Mae yna ddiffyg cymorth i deuluoedd â pharlys yr ymennydd, felly rydyn ni'n teimlo mor ffodus i gael mynediad at wasanaeth fel hyn.

Mae yna lawer o ansicrwydd pan fyddwch chi'n darganfod gyntaf bod gan eich plentyn barlys yr ymennydd, yn enwedig yn y dyddiau cynnar pan nad ydych chi'n gwybod beth sy'n mynd i ddigwydd. Gall fod yn beth anodd yn seicolegol i rieni, ac yn eithaf ynysig. Mae cael cymorth gan Parlys yr Ymennydd Cymru wedi ein helpu i gael gobaith ac i deimlo nad ydym ar ein pennau ein hunain.

Ar hyn o bryd mae 'Dechrau Gwell, Dyfodol Gwell' wedi'i ariannu'n gyfan gwbl gan ein gweithgareddau codi arian a manwerthu. Fodd bynnag, nid yw hyn yn gynaliadwy yn wyneb costau a galw cynyddol am ein gwasanaethau. Bydd eich rhodd yn helpu i ariannu'r gwasanaeth hanfodol hwn sy'n darparu therapi a chymorth arbenigol i tua 300 o deuluoedd yn rhad ac am ddim bob blwyddyn ledled Cymru.

Gyda'n gilydd, gallwn barhau i wneud gwahaniaeth cadarnhaol i deuluoedd fel un Rosie, Andy a Claire.

Subject: Friends of the Heart of Wales Line Trail Passport Project
2025

March 1th

Dear Community/Parish Council

I am writing to you to let you know about recent developments for The Heart of Wales Line Trail and a new project we hope to work on in 2025.

You may well have been one the Trail's original supporters/funders for which we are very grateful. As we enter our 6th year since the opening, we are pleased to report that the Trail has gone from strength to strength, and is walked by many hundreds every year, bringing visitors to communities all along the trail from Shropshire to Swansea. We now feature on Ordnance Survey maps, are onto the second edition of the Trail book, have been written about in the national media and in the last year, have become a Charitable Incorporated Organisation (CIO), a membership organisation. We are volunteer-led, and a team of 'trail champions' monitor footpaths. Our limited funding comes from membership, book royalties, grants and donations.

This year we hope to introduce a 'Trail Passport' which is a scheme that enables walkers to buy a 'passport' and collect stamps in locations along the trail. Local businesses will be able to stamp their passports and the whole project will encourage walkers to complete all the sections of the trail, as well as visiting businesses to collect their stamps. This type of project exists for many trails in the UK and are positively received.

We are currently seeking funding from Community and Parish Councils to help get the project off the ground. We need £2000 + for the initial outlay to cover the cost of design, print, stamps and boxes. We hope that you will consider providing a small amount of funding towards this, as the trail passes through your community, bringing regular visitors to benefit the economy as well as keeping footpaths maintained for local walkers.

We are asking you to consider providing funding for £100, or more if so inclined. We would recognise your contribution by promoting it on social media and on the website. Once established the passports should be self-funding as we will charge a small amount for them.

If you are able to consider contributing to this exciting project please contact me using my email details below.

With very best wishes

Subject: Marie Curie Great Daffodil Appeal 2025

DATE	10 MAR 2025

Dear Mark G

Please support Marie Curie's Great Daffodil Appeal this year

Marie Curie is dedicated to ensuring a better end of life to everyone in Wales, through providing excellent end of life care and support services both in our hospice in Penarth and through our hospice at home nursing services in local communities across Wales.

Marie Curie is here for anyone with an illness they're likely to die from, and those close to them. Whatever the illness, wherever you are, we're with you to the end. We bring 75 years of experience and leading research to the care we give you at home, in our hospice in Penarth, and over the phone. We push for a better end of life for all by campaigning at Welsh Government and sharing research to change the system.

Unfortunately, one in four people don't get the care and support they need at the end of their lives. We don't think that's good enough. The things people need aren't too much to ask; high quality care in the place they want to be, control of symptoms like pain and clear information from the start. So that, even at such a difficult, emotional time, people can feel in control. Marie Curie Nurses work night and day, in people's homes across this community, providing hands-on care and vital emotional support. Our Information and Support services in Wales provide bereavement support and information on end of life care, ensuring that no one feels alone, either in person or over the phone.

Each year, during our much-loved Great Daffodil Appeal, we ask for support from local communities to help us fund our vital end of life services across Wales. We could not support the people we do in Wales without your incredible support, as well as the support from people in your local community. Thank you.

We were so grateful to receive your kind donation of £100.00 last year and, as the need for better end of life care increases, we urgently need your help to make that possible, and wonder if **Llanelli Rural Council** might consider making a further donation to our annual Great Daffodil Appeal in 2025.

All money donated supports local Marie Curie services in your area, so you can rest assured that in your community patients and families will directly benefit from your gift.

If your council operates an application process, I would be very grateful if you could send me the correct application form and any guidance to support our application. I am also happy to share any further information you may need to consider our request, such as Annual Reports.

Kind Regards

Dear Councillors,

I'm writing to you today to see if the council would consider supporting the Foodbank during these very worrying and uncertain times. The Foodbank supports the residents, not just of Pembrey and Burry Port, Kidwelly and Mynydd y Garreg, but St Ishmaels, Carway, Pontyates, Ponthenri, Five Roads, Pwll, LLangyndeyrn, and Trimsaran.

The Foodbank is run by volunteers who work extremely hard to support the residents of the area that it covers. It provides a vital service that wouldn't exist, as the closest food banks to the community are in Llanelli and Carmarthen. Due to problems with public transport, and the semi-rural nature of the area, the foodbank delivers parcels to those that need it.

Sadly, the cost-of-living crisis has had a massive impact on the support that we're able to offer. We've seen donations of food and money drop as more and more people struggle. The increases in the food that we buy and the fuel that we use to deliver across our areas has also had an impact. New Office for National Statistics data has shown that the price of pasta, tea and chips has increased, with vegetable oil going up by 65% in a year!

In 2024 the Foodbank supported over 140 adults and children and over 90 pets with food parcels and pet food in the Llanelli Rural area. It has also provided Easter eggs, reading books, surplus food parcels, and much more.

We're also interested in ways that we can work together in the future to combat the cost-of-living crisis within the community, so please keep us in mind should you develop any projects or action groups that we can help with.

Lastly, please thank the council for all their support so far, and for taking the time to read this letter. It's thanks to the local Councils (and County) that we're able to help so many people.

Yours sincerely

SSAFA, the Armed Forces Charity, has been providing practical, emotional and financial support to our Forces and their families since 1885. Our Armed Forces play a monumental role in defending our nation's interests, at home and around the world. And their families make huge sacrifices to support their loved ones. This is why, at SSAFA, we believe it is our duty to be there for those who may face difficult times and need a helping hand.

One of those is former Welsh Guard Gareth, who lives in North Wales and his family, whose lives were altered after he suffered a life-changing heart attack, undergoing a triple heart bypass where he fought to survive. Gareth's life was turned upside-down even further after being diagnosed with cancer. Losing his independence and grappling with isolation, and with wife Katherine struggling to care for their five children, the family were at breaking point when they turned to SSAFA for help.

SSAFA caseworker Richard, one of our 2,500 trained volunteers, was on hand to help. He quickly became Gareth's lifeline; he made him see how brave it was to ask for help. Richard knew the family couldn't fight on alone and sought funding to provide equipment to open up Gareth's world again.

Our regional hub in Wales receives calls, emails and web enquiries which are triaged and details passed to our trained caseworkers. They then get in touch with the beneficiary to determine the best source of support. This may include financial assistance (which could help cover rent arrears, funeral costs, school uniform, utility costs), food vouchers, specialist mobility equipment, adjustments at home, support with transitioning to 'civvy street' and welfare support. We also have a network of over 130 partner charities, to which we may refer beneficiaries, ensuring their needs are met quickly by those with the most relevant expertise. Very often our help can prevent their situation from deteriorating further, thereby relieving pressure on the NHS and local social services.

In 2024 we assisted 391 families or individuals in Wales drawing down £620,000 to support them, with 134 clients in your area of South West Wales.

We are appealing to you once again for a contribution towards the costs of running our Welsh regional hub. £100 could begin someone's journey with one of SSAFA's specialist advisors, whether it's a phone call or email, this is our first contact with someone needing our help, but any contribution, no matter the size, will go a long way in allowing us to assist those who are often the very last to ask for help.

Please help us make a difference for people like Gareth, who have dedicated their lives, often at great sacrifice, to protect and serve our country and who truly deserve our help.

Thank you for considering our application.

Best wishes

Annie

Subject: Scarlets Community Sensory Room

LLANELLI RURAL COMMUNITY COUNCIL	
DATE	01 MAY 2025

PASSED TO	ACK / F&GP

Good Afternoon

I hope this email finds you well.

We at the Scarlets Community Foundation (Charity Number - 1183228) are trying to create a sensory facility at Parc Y Scarlets. Our aim is to make sport accessible for more young people and their families by providing equipment to enable a calm space to be created to reduce sensory overload.

The Sensory Room facility will be available to young people and their families on Match Days, making events accessible and removing barriers to inclusion. The Sensory Room will also be made available to Schools and external organisations between Match Days.

We currently have a crowdfunder set up where all money donated gets matched 3:1 by the Mortgage Advice Bureau.

I would be most grateful if Llanelli Rural Council would consider supporting our Initiative please?

Kind Regards

Diolch
